

www.impregnation.co.uk (the “Site”) uses cookies and similar technical tools to collect information about your access to the Site and the services we provide.

Cookies are very small text files that are stored on your computer when you visit some websites.

We use traffic log cookies to identify which pages are being used. This helps us analyse data about web page traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis purposes. Overall, cookies help us provide you with a better website, by enabling us to monitor (anonymously) which pages people find useful and which you do not. A cookie in no way gives us access to your computer or any information about you, other than the data you choose to share with us.

This website uses tracking software to monitor its visitors to better understand how they use it. This software is provided by Google Analytics which uses cookies to track visitor usage. The software will save a cookie to your computer’s hard drive in order to track and monitor your engagement and usage of the website, but will not store, save or collect personal information. You can read Google’s privacy policy here for further information <http://www.google.com/privacy.html>.

This information is only collected by reference to the IP address that you are using, but does include information about the county and city you are in, together with the name of your internet service provider.

Most web browsers automatically accept cookies but, if you prefer, you can change your browser to prevent that or to notify you each time a cookie is set. Visiting www.allaboutcookies.org will provide information on settings within your browser as well as other useful information on cookies. Please note however, that by blocking or deleting cookies used on the Site you may not be able to take full advantage of the Site if you do so.

If you continue using this Site we will assume that you are happy to receive all cookies and similar technical tools from this Site and reserve the right to amend, remove or add new cookies and similar technical tools at any time.

If you would like to disable and or prevent any cookies from this Site from being saved in your browser, then please follow the links below or consult with your internet browser provider.

We use Google Analytics cookies for monitoring website traffic. This allows us to optimise our website for search engines and evaluate how easy our site is to find on the web. All Google Analytics

information is recorded anonymously and does not provide or share any user-identifiable information. For further information, please see the [Google Privacy Policy](#).

If you don't want your information collected in this way, you can use Google's Browser add-on to opt out of Google Analytics.
